Inspectors attached to the L.A. section may perhaps be entrusted with this work also. As regards the appointment of an I Division clerk, there is a proposal to appoint certain staff in the Administration section - the file has been referred to the Controller, S.A.D. ~~The work may perhaps be entrusted~~ The services of one of the clerks to be appointed may perhaps be utilised for this work

5. The appointment of a Process Server may perhaps be approved. As regards the appointment of a Revenue Surveyor, it is perhaps desirable to retrench one of the several posts of sub-overseers attached to the Engineering section & one Revenue Surveyor appointed in this place.

6. The proposal is to appoint the staff for two years. This may be sanctioned with the above modifications for six months only with the direction that Survey work must be got completed within six months & a final report obtained from the staff.

15/6. 7. I am not in favour of this proposal, 8M/16/6 because, the Trust Bd has a basic staff of its own and the Trust Bd must manage with its own staff. As we are seeing no any fresh work means the appointment of extra staff for that work. Only in respect of those schemes which are costly which require Constant attention of a technical Staff, extra staff may be necessary. But in ordinary Cases, the existing Staff of the Bd must be able to manage with their work of surveying

may be definitely instructed to The Chairman with working in the Bd post one Surveyor and one R.I. and complete their work within 3 months positively.

Sir,

Subject:- Ramachandrapuram, Lakshminarayanapuram and Maruthi Extensions.

~~D.O. No. 54 53-1.~~

With reference to your letter No.L.20462/I.T.B. 1-52-102 dated 21-2-53 issuing instructions to take up the survey work in the area by the staff of the Board etc., I write to state that the sites and houses in this area are on sub-divided revenue lands and the Engineering Staff has no means of ascertaining and determining these to find out their owners. Plane Table survey is being carried on for plotting all existing structures and help of a revenue surveyor is absolutely necessary to demarcate the and show in the plan.

The volume of work involved is considerable as narrated by the Engineer Officer in his report dated 24th April 1953 and requires the services of a whole time surveyor and a whole-time revenue Inspector, a Process Server and a Ist Division Clerk for two years as detailed by the Engineer Officer in his report dated 24-4-53 (copy attached).

The cost involved on this account is noted in the margin and statement of staff is also enclosed. The cost of the staff will be debited to the scheme.

Plane Table survey of the area has been put in hand and is in good progress. Engineering surveyors will depict only natural and structural features. Help of a Revenue Surveyor and Revenue Inspector are necessary to demarcate the several revenue holdings and show them on our plans. A property - - register has to be prepared before improvement charges payable by each property owner could be determined. A separate note on the subject on the procedure to be adopted for consideration. Action is being taken on the lines suggested in Chairman's letter No.1556/52-53 dated 15/16th January 1953 regarding 4 year Programme of works. A draft notification for collection and levy of improvement charges has been submitted for publication A separate note has been submitted pointing out that this very important work could be taken up only after 3 or 4 years, if the work is to be commenced after the Improvement charges are levied and collected. The necessity of Government sanctioning some advance to start the work has also been explained.

The matter may be taken up for ~~discussion~~ for personal discussion with the Secretary, L.S.G. and Planning Departments

Sir,

Subject:- Additional staff required in connection with the scheme of Ramachandrapuram and Maruthi Extensions.

With reference to your letter No.L.4947/ITB.53-53-2 dated 23-7-53 asking me to get the work done by suitable adjustment with the existing staff, I write to state that the present staff is already overworked and if this work is also entrusted to the existing staff, the work will be slackened and the Board will not be in a position to complete its several schemes within the stipulated period. Besides the staff asked for is not the staff available with the Trust Board. It is the Revenue Inspector and Revenue Surveyor that are required and the services of the Revenue Surveyor is quite essential on account of the technical nature of the work and that of Revenue Inspector for collection of the layout charges etc., and a First Division Clerk to maintain the accounts and look after the correspondence pertaining to this scheme. I have in my previous report of even number dated 8th June 1953, asked the minimum staff required to push through the work and the cost of the staff will be charged to the scheme and will not be an additional charge on the Trust Board Funds. I may also mention to the information of Government the work of the nature cannot be done by the Suboverseer of the Board and without the assistance of the staff asked for it is not possible to take up the work at all.

I, therefore, request you kindly to reconsider the matter and obtain the sanction of the Government early as already reported.

OFFICE OF

The Chairman, City Improvement Trust Board, Bangalore.

No. AC 17/54-55
Encls.

Date 6th April 1954.

To

The Secretary to Government,
Local Self Government and Planning Departments,
Bangalore.

Sir,

Subject:- Sanction of Conveyance Allowance to Sri N. Rangaswamy Rao, Revenue Surveyor.

Adverting to Government Order No.L.13206-8/I.T.B.24-53-55 dated 12th January 1954, sanctioning the post of a Revenue - - Surveyor and a II Division Clerk for a period of six months for the scheme of layout of Ramachandrapuram, I write to state that the nature of work to be done by the Revenue Surveyor is purely executive involving outdoor work and a large amount of travelling at or within a short distance from new Quarters for which no travelling allowance is admissible under the rules. Other Surveyors of the Revenue and Public Works Departments who are doing similar work are granted a Conveyance Allowance of Rs.15/- and this Revenue Surveyor is also entitled to a similar allowance.

I request you to kindly obtain approval of Government for the grant of Conveyance Allowance of Rs.15/- to this Surveyor (Sri N. Rangaswamy) from the date he joined duty in this Office.

Yours faithfully,

(R. Madhavan)
Chairman.

Ksr.
